

# Informal collaboration spaces

Space Plan Concepts – 2<sup>nd</sup> Floor

# 2<sup>nd</sup> Floor

## 3 Options for Discussion

At this stage there are 3 suggested solutions showing location & size of spaces working to a brief of 20% reduction in desks to create the spaces.

Product illustrations are to give a sense of scale & indication of what can be fitted into the spaces, a detailed discussion about actual product & style will follow once a preferred option or combination of options is selected.

**Option 1 – Informal Collaboration Space  
On Edge of Department Areas**

**Option 2 – Informal Collaboration Space  
In the Centre of Department Areas**

**Option 3 – Informal Collaboration Space  
Space In one location**

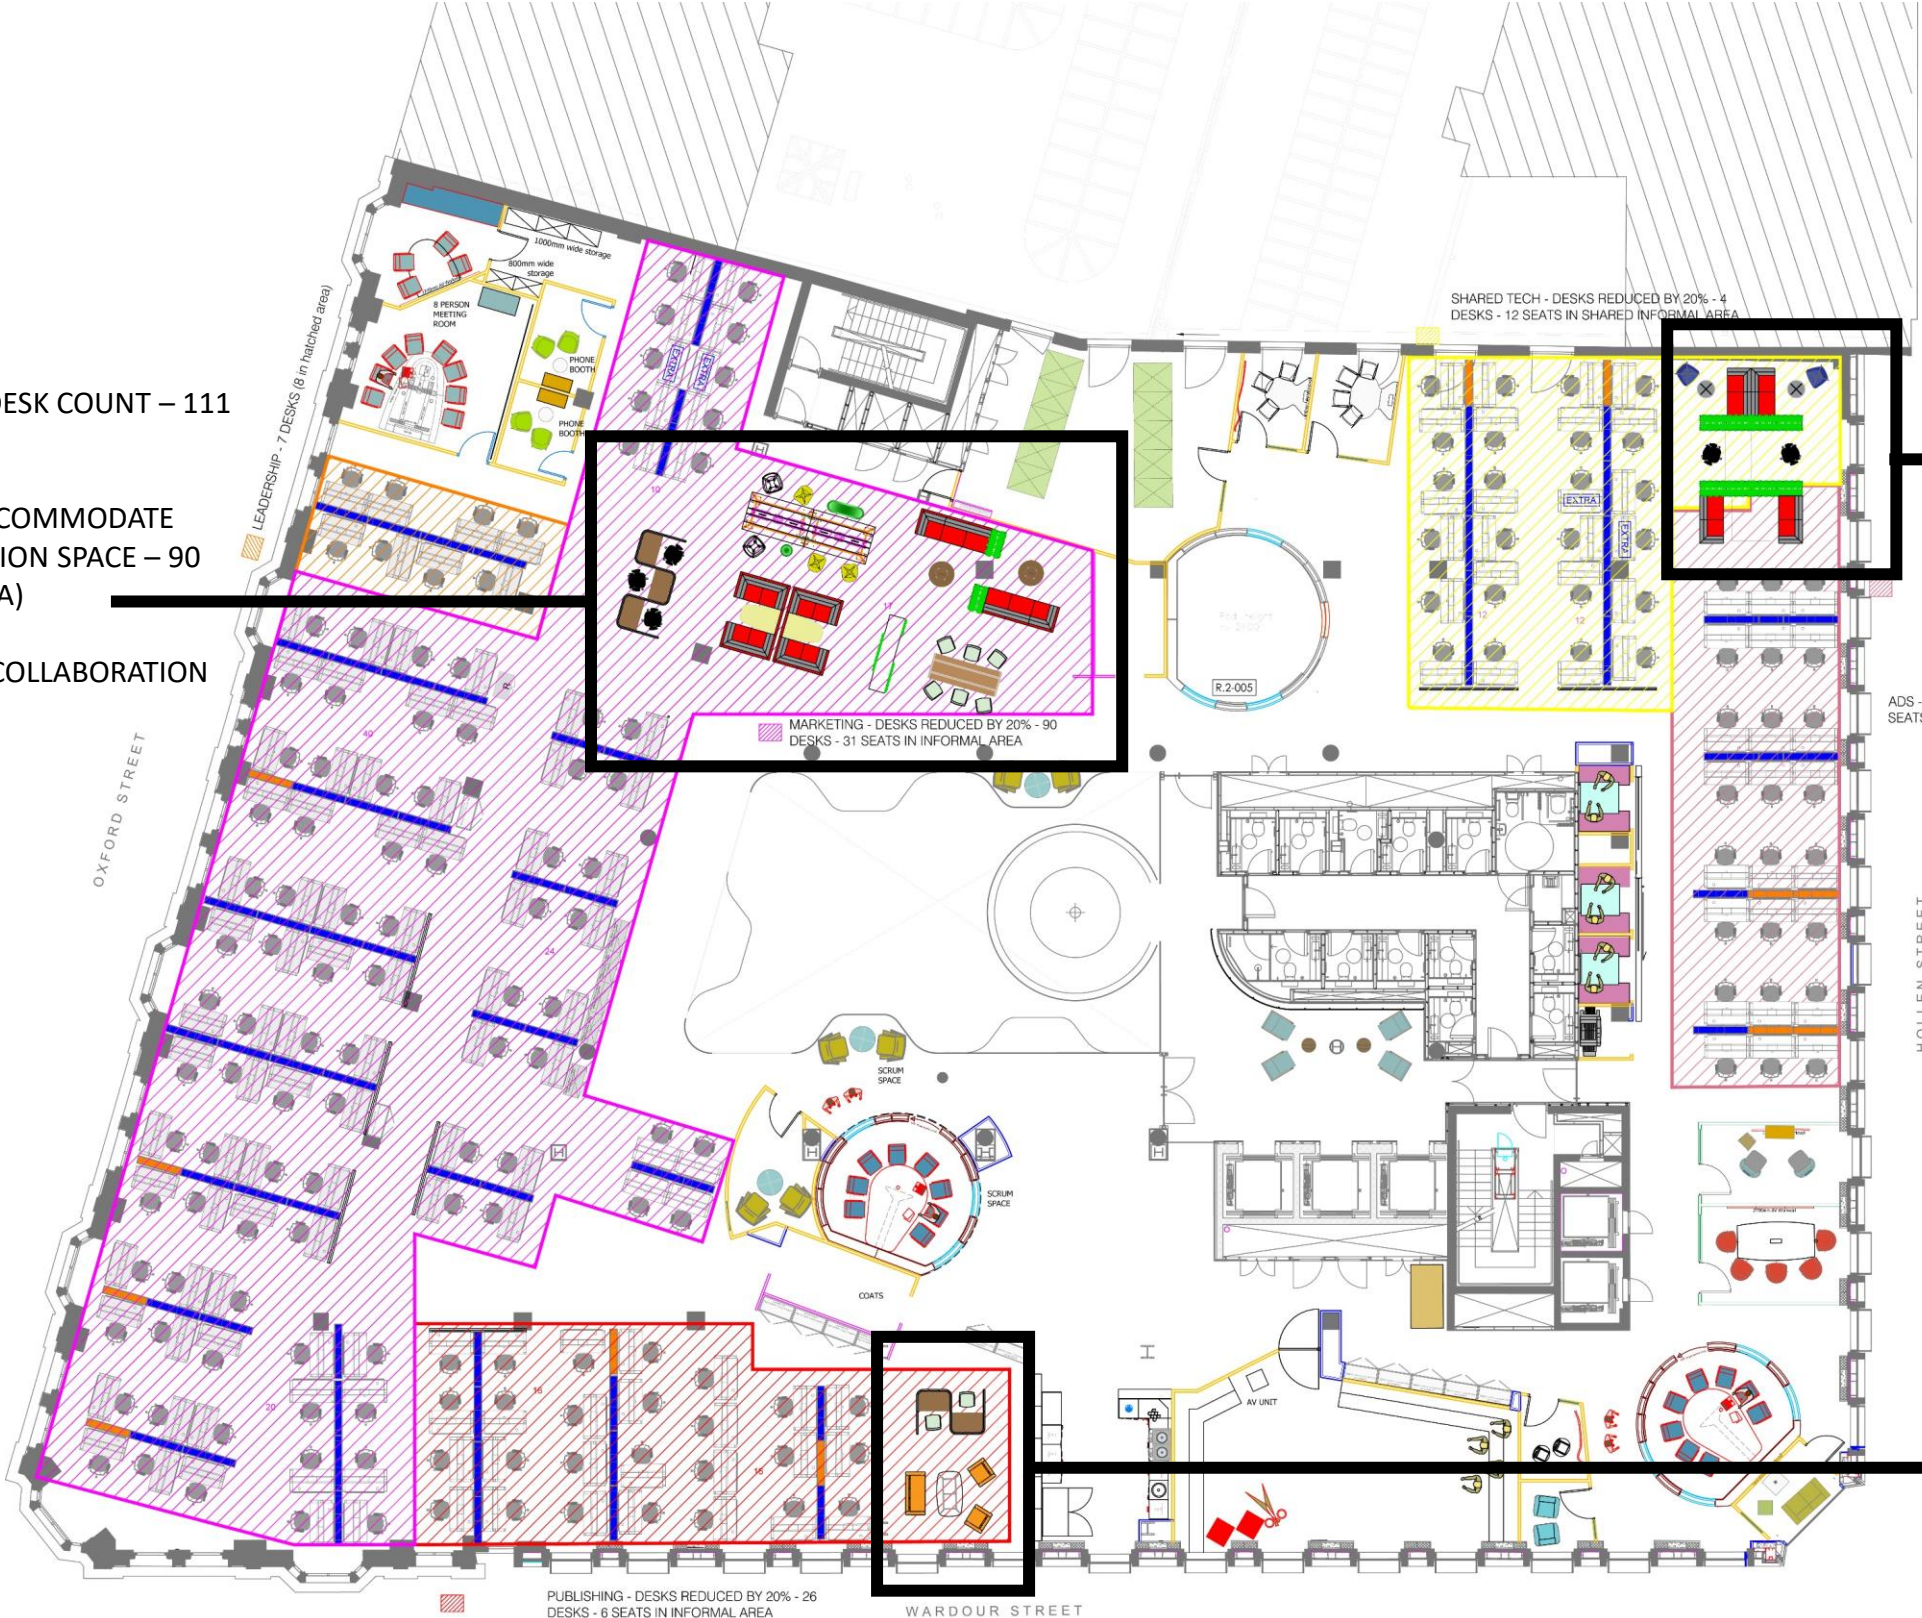

# 2<sup>nd</sup> Floor
